**01: POLICY STATEMENT:**

The NorthCap University Information Technology and Network policy governs usage of all its resources whether administered by the IT department or by individual departments of The NorthCap University (hereinafter "NCU" or "University"). The policy terms assures a campus community with a high quality, trusted and secure computing environment with a responsibility of protecting and securing its property interests, data and intellectual property.

NCU requires people to use its information technology resources in a responsible manner, abiding by all its policies, regulations and the laws of the Government of India as applicable from time to time.

This policy shall be called Information Technology and Network Resources Policy of the NorthCap University and it will come into effect from 1<sup>st</sup> August 2019.

**02: SCOPE AND OBJECTIVE:**

This Policy applies to everyone who accesses NCU Information Technology Resources, whether affiliated with the University or not, whether on campus or from remote locations, including but not limited to students, faculty, staff, contractors, consultants, temporary employees, guests, and volunteers. By accessing University Information Technology Resources, the user agrees to comply with this Policy.

**Scope of Information Technology Resources:**

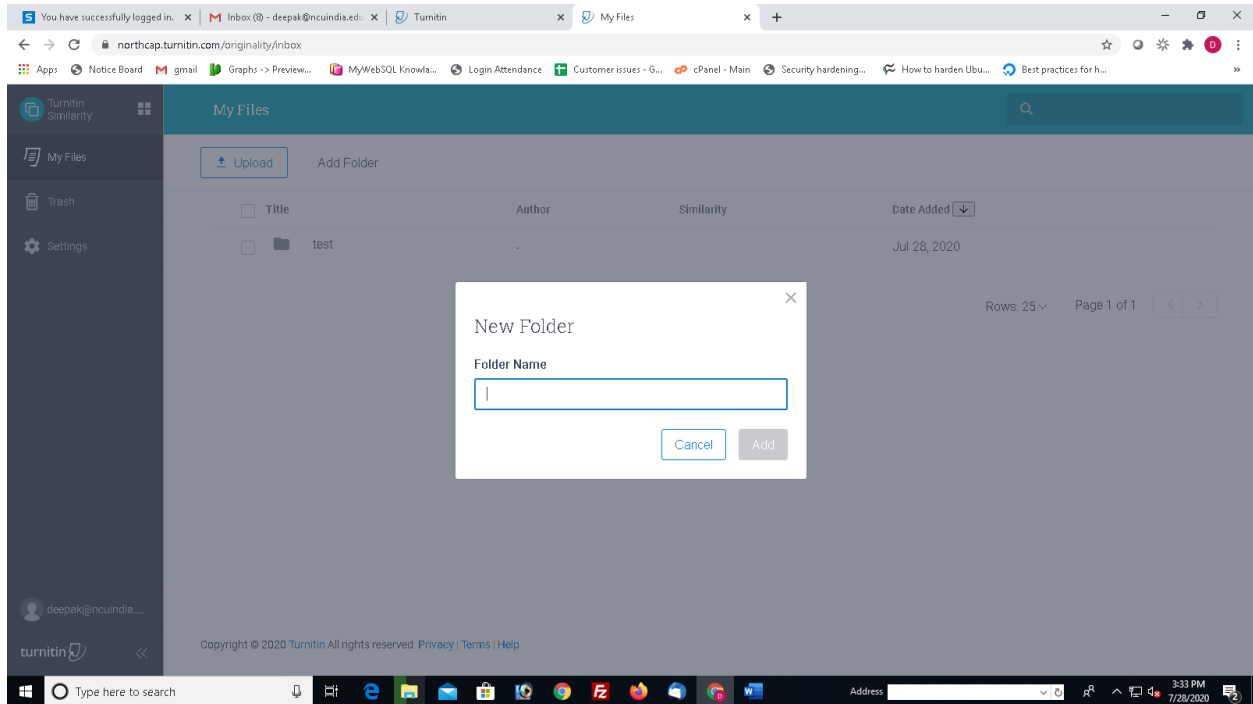

(a) Information Technology Resources for purposes of this Policy include, but are not limited to:

Student will open the URL and get the screen as illustrated above. Student fills his/her first name, last name, email ID. Selects the file and send it to you.

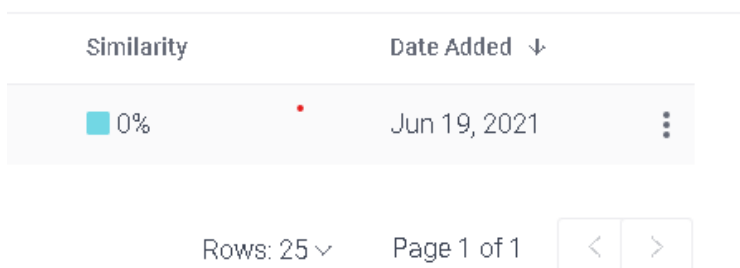

You can check the similarity going inside the folder. Student will get a mail for successful submission.

Do not delete the submitted papers. You can exclude the submission already done.

### Important

On paper submission for self or students, you will get three dotted lines as illustrated below.

Right click on the three dots and select copy ID. This provides an oid number for every paper submitted. You are requested to note down the oid number for all papers submitted. For any problem related to paper submission or removal from Turnitin repository this paper ID is required. **Do not Loose this OID number.**
